

How the Orphans Found Their Family
Character Breakdown

Sizzlean (14), extremely charismatic, is the group's confident and stubborn leader. Acting as a mystic, Sizzlean interprets and navigates the world for his friends. Beneath his charismatic façade, Sizzlean is a neglected boy who never knew his parents, hiding a deep feeling of loss.

Princess Ballerina (12), maternal, is the peacekeeper of the group.

Transformer (12), has come to doubt Sizzlean and his mysticism and is, perhaps, a little jealous. Transformer is a bit of a geek - an inventor and "scientist" who enjoys tinkering and scavenging.

Fluffy (10), is a boy who acts like a tiger. He speaks only in growls and purrs, wrapping himself in a courageous tiger "persona".

Charlie (45), Although Sizzlean initially mistakes him for a "monster", Charlie is a child at heart. He admires the children and the world they've created and wants to be a part of their family. Charlie talks to himself and refers to himself in the third person, but he is very perceptive and understands deep truths about people and the world.

GENERAL CASTING NOTE: We are looking for a unique and diverse cast made up of all different ethnicities, children of mixed ethnicities especially. We are seeking unique looks and characteristics as opposed to the overly precious children that often populate Hollywood children's fare.
